

Expand your Influence

Minnesota Representation

MCPR is the lobbyist and watchdog for the fertilizer, agrichemical and seed industry in Minnesota. MCPR influences rules and regulations before they are drafted; after they are approved; and continually monitors the regulatory process.

National Representation

The MCPR is a Minnesota association liaison with the Ag Retailers Association, Crop Life America, The Fertilizer Institute, and the Midwest Ag Chem Association.

We are ...

- Ag Production Retailers
- Manufacturers/Formulators
- Distributors/Wholesalers
- Sales or Technical Representatives in Crop Protection & Seed
- Custom Applicators

Our Mission

“MCPR exists to promote the proper use, storage and application of crop production inputs in an environmentally safe and agronomically sound manner; and to support regulatory and legislative initiatives which benefit retailers, manufacturers, distributors and custom applicators of crop production inputs.”

Owned by the members;
Directed by the Board;
Managed by Professionals;
Exceeding your needs!
