Future Leaders in Ag: Minnesota Crop Production Retailers Student Day

Minneapolis Hilton | Thursday, December 10, 2026

8:30 AM – 12:30 PM, with free lunch

Hosted by: University of Minnesota Extension, the Minnesota State Agricultural Centers of Excellence and the Minnesota Crop Production Retailers

MINNESOTA STATE
Agricultural Centers of Excellence

Launch your career in agriculture

Calling all future leaders in agriculture, sustainability, technology and the environment! Join us for Student Day at Minnesota's premier event for crop production professionals and go behind the scenes of one of the state's most vital industries. Whether you're exploring career options, looking for internships or preparing to enter the workforce, this is where opportunity begins.

Come curious. Leave confident about your future in agriculture.

Here's what's included:

Industry career panel

Hear directly from ag professionals about career paths, challenges and the future of the industry.

Free lunch provided

Enjoy a complimentary meal while networking with peers and industry leaders.

Trade show floor access

Talk with ag retailers, suppliers and innovators. Ask questions. Explore tech. Make connections.

No cost to attend

Student Day is free, but registration is required.

How to register:

For group or class registrations, instructors can contact Emily Rutkowski at erutkowski@agmgmtsolutions.com for bulk student registration options.

Scan this code for more details and to register. Select the General registration option and use the code **STUDENT2026** at checkout to sign up for free student access. Please be prepared to show a student ID at the registration desk on-site.

Contact Lee Helgen with questions.
